CLASS III

SUBJECT: MATHS

MONTH	LESSON	NO. OF PERIODS	SUGGESTED ACTIVITY	REMARKS
APRIL	Where to look from? Fun with numbers	12 9	1. Match objects available in the class/school/garden etc. to geometrical eg. Notebook-cuboid 2. Quiz on identification of top, front and side views of objects 3. Completing the mirror half of given pictures 4. Create shapes using dots-a speed based puzzle 5. List alphabets which are symmetrical	
MAY	Fun with numbers	7	1. Quiz on formation of greatest and smallest numbers using 3 given digits 2. Quiz-even or odd numbers eg. Is 567 an even number? 3. Group even and odd numbers between two given numbers	
JUNE	Give and take	8	1. Quiz on place value of a digit in a number eg. Place value of 8 in 789 2. Time bound quiz-show number using place value cards Quiz of appropriate unit of measurement of length	
JULY	Give and take contd. Long & short Shapes and design	8 11 8		
AUG.	Shapes and design contd. Fund with give and take Time goes on	2 18 5	1. Collection of mathematical puzzles 2. Questions to enhance speed and accuracy	
SEPT.	Time goes on contd. Revision	11 3	Quiz on reading time and looking up a calendar	
OCT.	Who is heavier How many times	10 6	1. Quiz of appropriate unit of measurement of weight of different objects. 2. Estimate the weight and measure 3. Word problems of multiplication. 4. Estimating and comparing capacities of containers.	
NOV.	How many times contd. Play with pattern	13 5	1. Collect pictures from the surrounding which shows some patterns. 2. Preparing Tangram pieces efficiently and assembling tangram puzzles.	
DEC.	Play with pattern contd. Jugs and Mugs Can We Share?	5 7 7	1. Quiz of appropriate unit of measurement for capacity for objects eg. Water in a tank, medicine for injection. 2. Measure the capacity of a container.	
JAN.	Can We Share? contd. Smart Charts	5 9	1. Some problems related to the distribution of things among children. 2. Preparing smart charts for the data given and explaining the same to classmates.	
FEB	Smart Charts contd. Rupees and Paisa Revision	3 14 5	1. Visit a nearby shop and find the cost of stationery items. 2. Quiz on conversion of rupees to paisa and vice versa.	
MAR	Revision SAII			

CLASS III

SUBJECT: EVS

MONTH	LESSON	NO. OF PERIODS	SUGGESTED ACTIVITY	REMARKS
APRIL	Poonam's Day out Plant fairy	21	1. Explore the environment to observe different type of leaves.	
MAY	Water O Water	7	2. Survey of the school garden 1. Role Play 2. Survey of water supply at home---Report	
JUNE	Our First school	8	1. To trace the family tree.	
JULY	Chottu's House Food we eat Saying without speaking	27	2. To prepare the Food Chart. 1. Role Playing-Roles and relationship within the family 2. To collect the information about various classical dances	
AUG.	Flying Hiht It's rainig What is cooking	25	1. To collect the information about birds of your locality. 2. To prepare the model of water cycle.	
SEPT.	From here to there Work we do	14	1. Note down methods of preparing the recipes. 2. To survey the local people about their profession	
OCT.	Sharing our feelings The story of food	16	1. To collect the information about the Braille Script. 2. Visit to an institution for challenged persons and report about it 3. List out the food in your own home and classify them according to the source.	
NOV.	Making pots Games we play Here comes a letter	18	1. To prepare illustrated chart of the process of making pots. 2. Clay modeling 3. To prepare the chart of play grounds of various games. 4. To note down history of letter or sending message 5. Collection of Postal Stamps.	
DEC.	A House like this Our friends animals	19	1. To collect the information about various types of houses in different regions. 2. To note down the feeding habits of different animals.	
JAN.	Drop by Drop Families can be different	14	1. Role Play- Different type of families. 2. Project: Water availability and use of it at home and school.	
FEB	Left Right A Beautiful Cloth Web of Life	19+(3 perio ds for revisi on)	1. Survey school, locality, and draw a map with directions and symbols. 2. Role play creating a web of life with ropes and ribbons.	

कक्षा: तीसरी
